Sir:

I, **Wyatt Paul**, am an inventor/coinventor of the invention of one or more claims in the above-captioned nonprovisional application for which the corresponding PCT application (PCT/GB99/00905) was filed in Great Britain erroneously not naming me as an inventor. The mistake in inventorship was the result of a clerical error that occurred when my first name was mistakenly interchanged with my last name. Thus, the PCT application incorrectly lists Paul Wyatt as an inventor.

Paul Wyatt is not an inventor/coinventor of the invention of one or more claims in the above-captioned nonprovisional application for which the corresponding PCT application (PCT/GB99/00905) was filed in Great Britain erroneously naming Paul Wyatt as an inventor. Paul Wyatt was erroneously listed as an inventor because of a clerical mistake whereby my first and last names were mistakenly interchanged.

The inventorship error occurred without deceptive intent on my part. I have read and understand 37 C.F.R. § 10.18(b).
